(by

1. Sit by a complete stranger at lunch and just stare at them.

2. Wake up at 5:00 (A.M.) and practice ballet.

3. Fart in class and be proud of it.

4. Sport a cheesy little mustache.

5. Go to a party ill-prepared.

6. Laugh loudly at all of your professor's jokes.

7. Xerox your face and post it all over campus.

♥ A Love Poem by ♥  
♥ Igdoof ♥

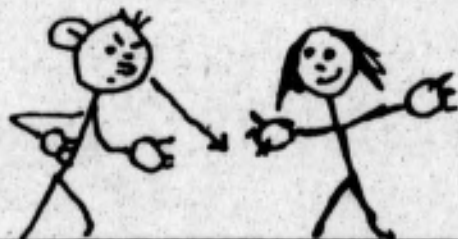

HAPPY VALENTINE'S DAY!!!!!!

I'm writing this poem  
With feelings so deep -  
(Cause roses cost money,  
But words, they are cheap.)

And when you go jogging,  
Your deodrant gets runny -  
I still think you're lovely  
(You just smell real funny.)

I love your soft cheeks  
And your cute little nose -  
I just try to ignore  
The dark hair on your toes.

Your face is so pretty,  
And you are just great.  
My only suggestions:  
Take a bath and lose weight.

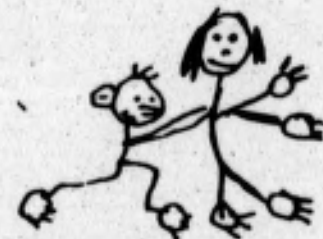

I love your sweet kisses,  
But you know I can't lie.  
Please buy some Certs -  
(Smell your breath, you'll see why.)

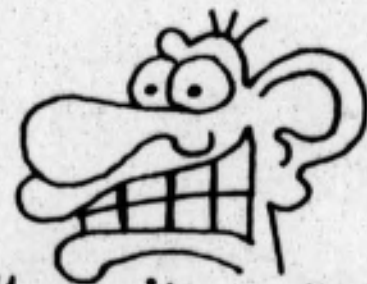

I'm eating some cookies,  
I'll have you know sugar -  
(So don't think that crumb  
On the page is a burger.)  
↓

If your nose was a runnin'  
My dear, I would stop it -  
And a zit on your back,  
For you, I would pop it.

A simple request  
Will end this right here  
Please save this poem -

(I'll use it next year.)
